## HEALTH INFORMATION

What communicable diseases has your child had? (Please check) Measles? \_\_\_\_\_  
Mumps? \_\_\_\_\_ Chicken Pox? \_\_\_\_\_ Whooping Cough? \_\_\_\_\_

Shots up to date? \_\_\_\_\_ SEND COPY OF IMMUNIZATION RECORD

Any serious illness or hospitalization? \_\_\_\_\_

Any physical disabilities? \_\_\_\_\_

Any known allergies? \_\_\_\_\_

Are there any foods allergies/sensitivities? \_\_\_\_\_  
(more room needed? List on back)

Any Medication given regularly? \_\_\_\_\_

## MEDICAL RELEASE

I hereby give my permission that my child \_\_\_\_\_  
may be given emergency treatment to include CPR by a qualified staff member of Kids Town Learning Center (KTLC). I further authorize KTLC to decide if emergency transportation by ambulance is necessary. I give authorization to all medical, surgical, diagnostic, and hospital procedures that may be performed or prescribed by a licensed physician or emergency technician when deemed immediately necessary to safeguard my child's health in the event that I cannot be reached.

## AUTHORIZATION FORM

I agree and INITIAL that:

\_\_\_\_\_ My child has permission to use all the play equipment and participate in all the activities provided. If no, please explain on back.

\_\_\_\_\_ Kids Town Learning Center will be authorized to transport my child on PREARRANGED extra curricular field trips as indicated on calendar. We will be using parent volunteer drivers.

\_\_\_\_\_ I understand that tuition will NOT be reduced due to holidays, sickness or family vacations.

\_\_\_\_\_ I understand that there is a late charge of \$10 on tuition paid after the 10<sup>th</sup> of each month UNLESS prior arrangement has been made

\_\_\_\_\_ I give permission for photographs to be taken of my child and used by Kids Town Learning Center

\_\_\_\_\_ I have read and agree to the policies and procedures of Kids Town Learning Center

## CONSENT FOR TRANSPORTATION & FIELD TRIPS

I understand that Kids Town Learning Center (KTLC) does not have a facility vehicle and must rely on parent volunteers to transport children on all field trips. I give permission to KTLC to provide necessary transportation and care for my child during all school activities away from the classroom.

## Goals for Pre-Kindergarten Class

1. To teach the students about God through His word, the Bible. The students will hear, discuss, and act out a story from our children's Bible daily. We will also memorize bible verses. Students will learn about the power of prayer by praying for and with them daily. We will share answered prayers and prayer requests.
2. To prepare soon to be 5-year-olds for full day Kindergarten.
3. Introduction to variety of music styles, from kids classics to classical to jazz etc. A variety of musical instruments will be available and musicians may come to our classroom to share their music. We will SING songs everyday, which is not only joyful, but studies show music enhances learning.
4. We will develop large muscle skills through the use of running, skipping, obstacle courses, outside climbing toys, and action songs and games. Building these muscles is an important part of their preschool years.
5. By the use of many different table toys, manipulative materials, and creative art experiences, we will encourage the development of small muscles, which aids eye-hand coordination, finger strength and dexterity. All of these are necessary for forming shapes, numbers and letters.
6. Using songs, finger plays, stories, plays and speaking and sharing in front of class, we will work on language skills. Listening skills are encouraged by learning to be kind and polite while their fellow classmates and teachers are sharing. Questions will be encouraged and explored everyday to create critical thinking and expression of ideas. Letter identification and letter sounds will be intertwined with all activities. Zoo Phonics will be used for reinforcing the memorization of letter sounds. Pre-Reading skills are encouraged by including rhyming, phonics and exposure to lots and lots of books.
7. Beginning number concepts will be developed. Special emphasis will be put on developing one to one correspondence, the concept of more/less, same/different, and addition /subtraction. We will graph, classify, and make patterns. Size difference and quantitative concepts will also be studied.
8. Science exploration will include lots of opportunities to use all of our senses by experiencing their world and exercising their God-given natural curiosity. Some units we enjoy are From Wheat to Bread, Bees, Hibernation, Ocean, Farm Animals, Metamorphosis and many more.
9. Socialization and a good self image are a natural product of a classroom filled with sharing, kindness, patience and God's love.
10. Through prayerful planning, make your child's year full of fun, joy and excitement.

## Parent Questionnaire

1. Field trips provide a wonderful educational experience for kids. We need the help of parent volunteers to drive and for extra supervision on field trip days. What days are best for you when planning field trips? \_\_\_\_\_

3. Are there any preschool memories of YOURS that were especially cool from your childhood that we could do at Kids Town Learning Center?

4. Do you have any talents that we could showcase (music, art, seamstress)?

5. In planning for exciting classroom visitor and field trips, do you have family or friends with interesting talents, or jobs that would like to visit our school? Or have homes that have horses, large vegetable gardens for harvesting, or excited jobs where we could visit?

## About Your Child

You know your child best. If you feel any of these questions would help transition your precious child into our preschool setting, please fill this out.

What are you child's strengths? \_\_\_\_\_

\_\_\_\_\_

What are your child's favorite activities? \_\_\_\_\_

\_\_\_\_\_

Please list any specific behavioral redirection and/or comforting techniques you find work well (eg key words, gestures, etc). \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Please list any behavioral challenges (if any) you have observed and how you deal with it at home. \_\_\_\_\_

\_\_\_\_\_

Has your child been in a classroom setting by themselves before? \_\_\_\_\_

Anything else you feel will assist me in working most effectively with your child?

\_\_\_\_\_

\_\_\_\_\_
