Key Scriptures:

1 Timothy 6:3-19

Discussion Questions:

Talk about it:

1. What are some other ways marketers or pop culture have tried to convince us “bigger is better” rather than “less is more”?
2. If you had to put a percentage on it, what percent of your anxious thoughts are about money, making money, or material things?
3. How many of your day to day decisions with money are driven by God centered priorities? What about your big decisions with finances? In what areas do you tend to get tempted away from those priorities and go with more self-centered choices?
4. What are some of the actual steps you can take according to 1 Timothy 6 to “seek first His kingdom and His righteousness” when it comes to money and stuff?
5. Do you have any lessons you’ve learned or stories about when you were motivated by materialism and it ended badly or left you feeling badly? What wisdom have you gained from those times?
6. What are some ways you can put your resources on mission in 2018?
7. How are surrendered finances and true contentment related? Why does God give us wealth if it’s such a trap?
